Facility Use Rental Agreement

Facility Use Rental Agreement

Broadview Evangelical Free Church is the owner and rental authority for the entire facility. All rental agreements are to be made through the Church office.

The primary function of the facilities and properties of the Broadview Evangelical Free Church is to serve the programs and functions of the church, and to meet the needs of the church membership in serving the Lord. When possible, the facilities will be made available to the general public for weddings, funerals and other activities that are authorized by the church office. All of the properties of the church are wholly dedicated to God, and as such all activities should be conducted in such a way as is pleasing to God.

Bookings are considered firm upon receipt of the signed agreement from the rental group. There may be times when Broadview Evangelical Free Church may have to pre-empt an event for an urgent, unforeseen church need. Broadview Evangelical Free Church reserves the right to refuse any rental if it does not meet with the approval of the Building Management Team.
