Missionaries of the Week: Adam & Luba Nikkel serving with EFCCM in Ukraine;
We have now celebrated Christmas and New Years here in Ukraine and through all the parties, gift exchanges, and concerts at the orphanages we have had an amazing Christmas season!! We have had many opportunities to share the birth story with all the kids that we work with and pray that they will know God in a new way this year. This last year has been filled with many amazing things and one of the most important thing is that of our ministry centre. We started breaking ground at the end of Feb 2017 and are hoping to be in our smaller building by the end of Feb 2018!!! There are still a lot of small things to do but each day we are moving closer to having a new home for Rays of Love and The Bridge Church (EFCCM church plant). This centre will allow us to invite more kids to our current programs and do bigger programs with kids who have now left the orphanages and are in University, Working or have kids. Also since our church is in the same building it allows an easier transition for kids to not feel intimidated to come to church since they will already be accustomed to coming to our ministry programs! We still have a lot more work ahead of us to get our big building finished but know God will send the finances and teams to help us finish this project!

Prayer: For the kids who have heard the Christmas Story, that they will believe and make Him saviour of their lives
For our building project and all the stresses that it entails

Praise: That we are able to work with the orphanages and preach the Word of God!
For our ministry team that is primarily made up of orphans who are now out of the orphanage, and that they know God and want to share their faith with the kids that are still left in the orphanages we work with!
