PLEASE PRAY:

Missionaries: Vlad & Julia Kuzmich serving in Ukraine with EFCCM. They write:
"Dear church family,
We are very thankful for your prayers for us and our church. God is blessing us in different ways. Our family very thankful to God for His care for our family and kids. Our son David has allergy on ambrosia and he got some free medication from government. It was blessing to us. Also God has provided medication for our daughter Daniella from allergy on dust mite which we will start soon. Recently we as family went on vocation for one week on Azov Sea. It was awesome time. During 2 years we couldn't allow to us. It was fulfilling the dream of children and my wife.

As for our church during summer we had several major events.

As usual we had evangelism party for students from summer English institute. Our youth did all preparations. It was Super-heroes party in style of Marvel movies where Jesus was presented as real Super-hero in comparing to fictional. There were about 45 people.

Also I have a praise to our God for repentance that we have among our children and teenagers of our church. During summer one big church (Central Baptist Church) organized summer camp for teenagers and kids. I took to that camp 5 of them. 2 teenagers repented there. Pray for parents that they will keep their faith alive.

During the fall we will start all programs that we planed – youth group, bible studies, Sunday school for children and several seminars on the topic of Christian lives. Several people from our church will start to visit Bible school which our association organized several years ago. It is interesting to see the growth of people who want to know more. Please, continue to pray for our church and for our family too especially for the health of our children.

Thank you very much for your participation in our lives. I also pray that God will bless your church too in different ways.

In Christ,

Vladimir and Julia Kuzmich and kids"
